Guaranteed appropriate dance fun for kids aged 3-4 & 5-6. Learn some funky moves and tricks with the help of props and games.

3-4 CREATIVE COMBO

Our young dancers learn basic skills in ballet, jazz and tap through creative movement, games and imagery.

5-6 CREATIVE COMBO

Our dancers build on the skills learned in the previous class. We begin to place more emphasis on technical elements but always leave time for some fun and games!

Dancers in this class work on tap and jazz skills while developing strength and flexibility through warm ups, technical exercises and dance combinations.

HIP HOP

This is a super fun and high energy class that incorporates all the newest and coolest dance moves!

Ballet is considered the foundation of all other forms of dance. This structured class takes our students through the exercises required to develop strength, control and grace.

Students will take one 45 minute class per week and compete at two local competitions.

TUITION & FEES

Tuition is due monthly, September through May, regardless of breaks. This evens up over the year, as some months have five weeks with no additional charge, and we do not charge a recital fee or for extra rehearsals.

Tuition is due the **first week** of each month. Any tuition not paid by the 10th will be subject to an automatic \$10 late fee.

Withdrawal from class must be received in writing (email) before the start of each month or tuition will be billed.

Registration fee of \$30 is required to save your spot in a class. This fee is non-refundable

A recital costume fee of \$85/class will be billed to accounts on or around December 1.

Costume fee must be paid by Jan 1 or your dancer will not be eligible to perform in the recital. Costumes are non-returnable and non-refundable, so if your dancer decides not to continue in dance after Jan 1 you will still be responsible for the costume fee.
