# Recital

---

\*All dancers perform in our recital. 3-4 year old combo, hip hop, and ballet classes have one dance, all other combo classes have two dances. Costumes are required and usually run around \$45-\$75 per dance.

\*We do our best to make sure dancers in more than one class perform their routines in the same recital. However, we are not able to guarantee that siblings will be in the same show, so some families may have to attend both performance. Tickets are approximately \$15.

# Company Dance

---

Ready to take your dancing to the next level? Try out for a Diversity Competition Company! Previous dance experience is required. Audition dates for our 2020-2021 teams are tbd. Children must be 6 years or older as of Jan. 1st, 2021 to audition.

At Diversity, we have two different tracks for our Company students. Our resident dancers compete locally and dance 2-3 days each week. Our travel dancers (only an option for our students 9+) will typically compete at least 2 times outside of Montana per year, and dance at least 4 days a week.

If you are interested in our Company program, please contact us for more information!
