NEW!!! MOVE WITH ME

This class is for our littlest of dancers who are not quite ready to dance without an adult buddy yet. With your assistance, your child will be taken through a series of fun games and exercises that will instill a love of movement and music while improving balance, coordination and motor skills.

NEW!!! PRE-COMPANY

This class is geared towards 5-6 year olds with previous experience that are wanting a little more structure and challenge, but are not quite ready to jump into a competition company yet. Dancers will learn a jazz dance that they will perform at our Winter Showcase in January, at one local competition in the spring and in our June recital. Monthly tuition charge includes costumes and entry to all competitions/performances.

NEW!! BOYS HIP HOP

We welcome both boys and girls in ALL of our classes, but this one is strictly a girl free zone!
